

## Naming Scholarship Opportunity

**Dear Alumni and Friends,**

Quigley Catholic High School has provided a Catholic valued, college prep education to thousands of students for over four decades. Our graduates have become doctors, lawyers, judges, priests and even bishops.

Tuition in 1967 when we opened our doors was \$100. Unfortunately, now it is approaching \$7,000. That figure would be even higher if it wasn't for a very generous benefactor who helps every student that enters our doors. Many students and families are struggling to pay tuition or cannot even afford to attend. This program will make a difference.

Throughout the years we have had several families and individuals who have helped students with named or memorial scholarships. The families who receive this additional help would not have been able to attend Quigley Catholic without such scholarships.

**It is with great pleasure and hope that Quigley Catholic High School announces a new Naming & Memorial Scholarship Program.**
