

Quigley Catholic High School Hall of Fame

Everyone remembers the hallway that passes by the rear entrance of the principals' office and proceeds past the entrance of our beautiful chapel. Since 1991 that area of the school has become known as the Hall of Fame. Fourteen plaques hang proudly on the red brick walls honoring former graduates of Quigley Catholic High School. Along with their photographs and biographies there is an inscription that reads, "Recognizing your accomplishments in life".

Quigley Catholic High School has many more graduates who have achieved great things in their lives. Either in their professional careers, family life or through charitable and volunteer works, Quigley Catholic graduates are leaders.

Help your school keep this tradition alive. Nominate a friend or family member to be considered for this great honor by writing, calling or e-mailing the Development Department.

The current list of Hall of Fame Members are as follows:

Judge Stephanie Domitrovich (QCHS '72)
Dr. Carol Narkevic (QCHS '71)
